Zero-Based Budget

Month: _____ Give every dollar a job: income minus the plan = $0.

Income

Source	Planned	Actual

Spending plan - every dollar gets a job (Type: N = need, W = want, S = save)

Category	Type	Planned	Actual	Left	Paid

Total income	Total planned	Left to budget ($0)	Left over (actual)

50 / 30 / 20 check

Needs (target 50%)	Wants (target 30%)	Save + extra debt (20%)
